Price Guide

We love helping couples build the look of their wedding day and because no two weddings are the same, or ever should be, we happily encourage you to take a while and use our showroom displays to find the look you're searching for.

There are many different combinations, sizes, colours and types of decorations to choose from, so for us to be able to offer you the very best value, we always advise that you speak to us personally when making your choices.

If you would like to discuss your wedding ideas with us, please get in touch and make your personal appointment at the showroom.

How it all works

We will liaise with you and your chosen venue owners and arrange to deliver and dress your wedding venue on your behalf before your big day.

We will then collect all hired items within 24 hours of your function.

Cost of delivery and dressing will be dependent on the distance, number of guests and venue size.

We will ask for a non-refundable 40% deposit at the time of booking, with the outstanding balance to be paid in advance of the hire date.

Please note, we are happy for you to add to your order at any time up to the hire date, but it is at our discretion to alter the original order and we are under no obligation to do so.

All our prices are inclusive of VAT.

We will ask for a refundable deposit to cover for any loss or damage to any of the hired items. The size of the deposit will depend on the amount hired.

Once we are satisfied that all items have been returned and are in a reusable state, the deposit will be returned.
